

## *Sewing 1 Class Supply List*

To begin the class, you will need:

- working sewing machine
- pins and pin cushion
- fabric scissors and paper scissors
- measuring tape
- seam gauge
- seam ripper
- marking pencils
- needles (for your machine) and thread

We will be completing 3 main projects throughout the course, and each student must provide materials for each. We will be discussing, during class, patterns options and materials that they will be needing, that way if they have questions, I can help them problem solve before they go out and buy items. If time allows, we will have additional projects after these 3 projects are completed. The 3 projects they will be making are:

1. pillowcase (no pattern needed)
2. pajama pants
3. skirt with zipper

You can find all of these sewing supplies at Joann fabrics. Also, Joann has an app and a mailer that you can sign up for for coupons. I highly recommend this!! If you have any questions about any of the items on this list, you can either ask a customer service representative, or text me.
