

## *Sewing 1 Class Supply List*

To begin the class, you will need:

- A working sewing machine
- pins and pin cushion
- fabric scissors and paper scissors
- measuring tape
- seam gauge
- seam ripper
- marking pencils
- needles (for your machine) and thread

We will be completing 4 main projects throughout the course, and students must provide materials for each. We will be discussing pattern and fabric options during class; that way if they have questions, I can help them problem solve before they go out and buy items. Pattern sizes are different than ready-to-wear clothing sizes and we will learn all about that in class. For this reason, I would recommend waiting to purchase fabric and patterns, but I will still share criteria below for each project. The 4 projects they will be making are:

1. **Pillowcase:** I will provide the pattern. You will need cotton fabric (no knits/stretch fabric);  $\frac{3}{4}$  yard of 1 fabric, and  $\frac{1}{3}$  yard of another (coordinating) fabric.
2. **Pajama pants:** you will need flannel or cotton (no stretch) fabric, probably 2  $\frac{1}{2}$  yards (depending on the size). The pattern we will be using is Simplicity 2290 and you can find the link on my website.
3. **Zippered Pouch:**  $\frac{1}{4}$  yard of main fabric (cotton),  $\frac{1}{4}$  yard lining (cotton),  $\frac{1}{4}$  yard fleece interfacing, one 12" all purpose zipper.
4. **Apron:** I will give you a handout in class for apron fabric ☺

You can find all of these sewing supplies at Joann fabrics or on Amazon. Also, Joann has an app and a mailer for coupons that you can sign up for. I highly recommend this!! If you have any questions about any of the items on this list, you can either ask a customer service representative, or text me at 951-796-8859. You can also find this information on my website:
